

Respected Sir/ Ma'am,

Our group (GID 21) is currently working on a sponsored project offered by Veritas LLC, Pune. It is not possible for us to write a survey paper on our project topic as **NO** literature is available about it. We have spoken to Mrs. Radhika Kulkarni Ma'am and to our internal guide; Mr. Vishal Jaiswal Sir regarding this. Thus it won't be possible for us to write a survey paper this semester.

We assure you that we would write an implementation based paper, by the end of next semester.

Thanks in advance!
